

Commemorative Custom-engraved Pavers Fundraiser

Tell your story with a custom-engraved Paver

Leave your permanent memory at Main City Park and help build an endowment for the Gresham Japanese Garden.

For every \$125, Gresham Japanese Garden will engrave a custom paver to honor a loved one or a special event and give 20% to Gresham Barlow Education Foundation!

All remaining proceeds will be deposited into an endowment fund to help finance the maintenance of the Gresham Japanese Garden for years to come.

Ordering Your Custom Paver
